Investigation Permission & Authorization for Public Release of Information

I, the undersigned, grant permission for Euclid Paranormal Investigations (EPI) and its agents, investigators, or representatives as listed below to conduct an investigation for the purposes of paranormal research at the above noted address at the above listed investigation time and date. I certify I am the legal owner or have the legal right to authorize such activity at this property. Unless otherwise indicated, EPI and its agents or investigators have permission to use various equipment and investigative techniques including but not limited to photography, audio recording, video recording, environmental sensors, and any other techniques or equipment the investigation team deems appropriate unless otherwise specifically noted in this document. I also grant permission to the investigation team to use any available utilities necessary to power authorized equipment.

The investigation team agrees to hold harmless and release from liability the property owners for any damages or injuries that may result from activities associated with set up, investigation, clean up, or follow up during the course of the authorized investigation that are caused by investigative team negligence or actions. Further, the investigation team assumes full responsibility for any damages that may occur to the property during investigation caused by members of the investigation team. The property owner or authorized property representative assumes full responsibility for any damage or bodily injury to personnel, property, or equipment due to actions or negligence that arise in the course of the investigation caused by the owner, his or her employees, family members, or anyone else on the property not associated with the investigative team.

I, the undersigned, grant Euclid Paranormal Investigations (EPI) permission to release the following information in public forums such as in talks or classes, video, online, or written materials. The paranormal team agrees that in the event of such a release, this information will be presented in a way that keeps confidential details private, such as property address, owner and resident names, and other personal identifying information.
